Appointment of three Inspectors in the Central Abstraction Office.

SIR,

In continuation of my letter No.1084 dated 14th September 1921 submitting the supplemental Census Budget through the Comptroller, I have the honour to request the sanction of Government to the following slight change in the designation and salary of certain officials of the Central Abstraction Office.

2. In Government Order No.M.320-1/Census 22-20-24 dated 15th July 1921 passing orders on the scales of salary of the officials of the temporary sorting and compiling establishments, sanction was given to the appointment of two Head Supervisors on a consolidated salary of Rs90/- per mensem. Till now, only one Head Supervisor - (who was, prior to this, Head Clerk of the Statistical Section of the Office of the Inspector General of Education and is a Fellow of the Royal Statistical Society) has been appointed and the experience since gained coupled with the scale laid down in the Imperial Census Code Part II has demonstrated the necessity for the appointment of three

P.T.O.

three more inspecting officers on a lesser salary, for testing the ... of Sorters, Compilers and Supervisors. As the Central Abstraction ... office consists of two detached buildings and one of them consists ... two floors, the ... situation of the buildings and the necessity for thorough supervision require the appointment of three inspecting officers besides the Head Supervisor already appointed who has to attend to the work relating to the Industrial and Economic Censuses (which are heavy items during this Census) and to other technical work of a statistical nature. These inspecting officers will be called Inspectors with a consolidated salary of Rs.60/- each per mensem and their duty will be to check the work of sorters, compilers and supervisors, the nomenclature being that used in the Imperial Census Code Part II, Chapter III and the scale therein laid down being one Inspector ... to every five Supervisors. The extra cost involved is Rs.90/- per mensem (as the second Head Supervisor will not be appointed) and ... provision therefor has been made in the supplemental budget sent up to Government. It is expected that when these Inspectors who will most probably be selected from the existing Supervisors are appointed, the two assistants will be able to devote more attention to the passing of the Census Tables through the Press and to the drafting of the portions of the Census Report.

3. I therefore request that Government will kindly sanction the above modification proposed in the interests of Census work.

I have the honour to be,

Sir,

Your most obedient servant,

M. Venkatarangaiya 19/9/21.

Census Superintendent in Mysore.

CENSUS COMMISSIONER FOR INDIA.

Simla, the 22nd October 1921.

D.O. No. 291.

Dear Mr. Thyagarajaiyar,

I notice from your weekly progress reports that sorting for Tables X, XI, etc.. has not begun and that the compilation of Table VIII onwards has not yet been taken up. I may point out that even in the large Provinces such as the United Provinces, Pubjab and Madras these operations are a good deal more forward. Can you do anything to expedite the work in your State? It is of course impossible for me to send the India Tables to Press - until the local ones are complete.

Yours sincerely,

Sd/- J. T. MARTEN
